March 18, 2021

Dear Samson Akanpigbiam,

Congratulations on your acceptance into the first session of the Afrique Data Science Fellowship Program. Afrique Data Science Fellowship Program is a three-month professional development fellowship beginning May 26, 2021. Our goal is to provide a platform that helps to develop the next generation of leading African data scientists to solve African problems with cutting-edge data science technologies.

It was a very competitive selection process. We are inviting you to Afriq Data Science because we believe you are self-motivated and share our love for learning and collaborating with other smart, driven colleagues. We trust that you can create innovative solutions to some of the African big problems, given this unique opportunity to learn from some of the best data scientists and data engineers during the program.

Please take the time to review what is expected of you and what you can expect from us below.

Benefit
As an Afrique Data Science Fellow, you will be provided with key data science resources and tuition to help you transition to a career in data science. Specifically, you will:

- Participate in the Afrique Data Science Fellows Program at a subsidized cost of $100.
- Develop a professional network of friends and acquaintances in the data science field.
- Finance must not be a hindrance to your participation in the program. If you believe that you cannot sign this letter and attend the program because of financial problems, please email us and let us talk.

Responsibilities
In return for our commitment to you, we ask that by becoming an Afriq Data Science Fellow, you agree to:
- Commit to actively participating in, and thoughtfully contributing to, group activities and sessions during program hours.
- Be present at the official Insight programs, including tuition, the duration of the program. We will be conducting many of our programs on weekends which may go as late as 8:00-9:00 pm to accommodate diverse time zones.
- We reserve the right to terminate your participation in the program for any reason at any time, especially, if you are not fulfilling your part of the contract(responsibilities).
- You must respect all persons in the program, including mentors or tutors.
- Volunteer to be a mentor for the next batch of Fellows.

To accept our invitation, please sign below and return this agreement by email to afriqdatasciencebootcamp@gmail.com within a week of receiving this letter. We look forward to having you participate in the program.

Sincerely,
Dr. Eric Asare
Founder, Afrique Data Science

By signing below, I agree to the terms outlined above.
